imageCLASS® MF6530

Duplex Copier | Laser Printer Color Scanner

Solid Performance with Two-Sided Paper Handling

- Fast 23 pages-per-minute laser output
- Duplex versatility — two-sided copying, printing, and color scanning
- 500-sheet cassette plus 100-sheet multipurpose tray
- Legal-size platen and 50-sheet Automatic Document Feeder*
- Single Cartridge System
- Scan in color up to 9600 dpi quality with 600 dpi optical resolution
- USB 2.0 Hi-Speed** for optimal performance

Built for performance, the imageCLASS® MF6530 is a powerful duplex copier designed to produce high-quality laser output.

The imageCLASS® MF6530 copies and prints at up to 23 pages-per-minute for high-quality letter-size documents. A large supply of paper can conveniently be utilized from either the 500-sheet front-loading paper cassette or the 100-sheet multipurpose tray. The multipurpose tray can accommodate a variety of sizes and types of paper stock such as bond, plain and color paper, transparencies, labels and envelopes for special projects.

Use the legal-size platen glass for single-page originals or the 50-sheet Duplex Automatic Document Feeder (DADF) for multi-page originals. The benefit of DADF is that it allows you to copy, print, and color scan from one or two-sided originals and produce two-sided output.

Archive business documents to your PC with color scanning up to an enhanced resolution of 9600 dpi. Reach new levels of productivity with the included ScanSoft®, OmniPage® SE (OCR) software for Windows®, a powerful document conversion application.

Built for reliability and ease-of-use, the imageCLASS MF6530, using Canon's exclusive Single Cartridge System, as well as years of fine-tuned copying and printing know-how, will attest to Canon's commitment to providing products with a level of quality and expertise that ensures your office runs effectively.

* Letter-size paper.
** USB 2.0 Hi-Speed requires Windows XP SP1 or Windows 2000 SP4.
